

## Legends Regatta 2017 S.I. Amendment 1. Coralie Bay

In the event of South Westerly winds and no easterly swell the race officer may call for a race to finish in Coralie Bay. The reasons being the Anchorage is more sheltered for deeper draught vessels in a South Westerly weather pattern, with better holding and more room.

The race office will notify vessels prior to the start via Vhf or directly in person and will use any of the official courses changing the finish line to the one referenced below. Taking a transit between Motuwharangi Island and the small Islet immediately North East. (See below).
